

Almoner for SIM

Firstly, I feel honoured to be asked to hold the position of Almoner for SIM and support our Worshipful Master; W Bro Terry Lewis.

I don't have a lot to report on at the moment, but I want your attention for a minute or two to highlight some information and let you know that 2022 has been designated the year of the Almoner by the Suffolk Province.

As you are probably all members of other lodges, you will have other Almoners who are hopefully looking out for you and helping you. I will do the same for SIM and help and support its members if needed but I do need your help.

So please where you can try and make the role of Almoner easier by staying in contact with him, be his eyes and ears in the lodge, report things back to him, let him know if you have concerns on a brother in need or if you need help.

The Suffolk Almoner team has recently been expanded, we have mental health leads, bereavement leads, widow's lead and the very good friends project to name a few. We are a strong tight team and if you think a brother needs help then contact us or me direct, it will not get overlooked and we can make the call.

I am sending this out to all members, as a number were missing on our installation and we understand not everyone is comfortable at the moment on a return to Lodge and that is fine, but I need to know you are okay and don't need our help.

My contact details are below so if you need help or support, please call me, or message me and I will call you straight back.
