Suffolk Freemasons working with the community

NEWS BULLETIN

What's happened around the Province

On the first Wednesday of November, Orient Lodge celebrated their Lodge's centenary anniversary. Brethren were treated to a wonderful history of the Lodge. The festive board was a carbon copy of that at the consecration and the Lodge even laid out all of their minute books for the brethren to enjoy.

A special night at St Luke's Lodge saw Bro Steven Coleman initiated in front of his two blood brothers - Paul and Glenn - from the South West who presented the Working Tools and Charge respectively.

Holy Royal Arch

Bro. Dan Echo from Seattle, USA travelled 4,783 Miles to visit Martyn Lodge.
He alongside 90+ brethren, witnessed an exceptional Installation of WM Simon Clarke.
Bro Dan was very happy to become a Honorary SLB, a fantastic idea of W. Bro Bob Lee, APGM.
The friendship between Bro Dan, and Martyn Lodge began during the pandemic over zoom calls and continued to grow, never missing a call... even with the time difference!
Bro Dan certainly proves Masonry is truly Universal and he is a very dedicated freemason..
Bro Dan, hopes to visit again soon, and we can't wait to see him again. or shall we go on TOUR?????????....

Several SLBs completed their journey into pure ancient Freemasonry over November by joining Chapter! If you're interested in this wonderful order, contact your Lodge HRA rep or a member of the SLB Team.
